Much has been going on in Moldova, we continually look to the Lord for his help and provision. The pastor of the church in Sofia, Pastor Igor left and we feel his loss keenly. Those from Casa Matei and Casa Alex were upset about his departure. Pray for a new pastor after God's own heart in Sofia and for the divisions in the church to be healed. Immediately following several days of wonderful services for the opening of the new church building in November Larisa Ciobanu, aged 40, of Casa Alex fell ill and died. Medical care in villages in Moldova can be poor. Anea broke her foot at Casa Ana and after 2 months of treatment was in terrible pain and was largely immobile with no sign of any improvement. Friends in the UK paid for her treatment in Cardiff which has been a success. Anea is now back in Moldova and eager to work again.

- Please pray for patience for Anea as her leg heals.
- Pray too for staffing shortages; a long standing staff member had to be dismissed.
- Pray for those attending summer camps.
- Pray for Maureen as she prepares to step down from her leadership role this year.
